Kaylee, 15

Experience Skating: 8 years

Current Savings: \$70

Notes: She skates all the time and likes to skate tough challenging bowls, parks, and half pipes, but she will skate anything. She rarely falls, but she knows her limits and tries not to test them too much. She makes most of her money working in her parent's restaurant. Selena, 14

Experience Skating: 4 years

Current Savings: \$55

Notes: She prefers long, continuous runs. She doesn't really want big air. She is very laid back. She focuses on smooth technique, clean tricks, and flow through the run. Selena is very active in after school sports, so she does not have time for a steady job. She has saved her money from birthday presents and extra chores. She would like to keep as much of it as possible.
